CLERK / ELECTIONS

## NEWS RELEASE

FOR IMMEDIATE RELEASE

Date: November 9, 2023

Contact: Cathy Darling Allen, County Clerk/Registrar of Voters

---

Cathy Darling Allen, Shasta County Clerk and Registrar of Voters wishes to inform the public and the media about the estimated number of unprocessed ballots. This report is an estimated count of unprocessed ballots that we have in our office. It is just that, an estimate. We are still processing these ballots, including verifying the signature and the eligibility of the voter. There may be ballots added to this count or removed as necessary, as we receive valid post marked ballots from the post office through November 14, 2023.

At this time, we have approximately 70 ballots to add into the count. This number includes unprocessed ballots that are damaged, need to be remade, or require further review.

As a reminder, our next expected results report will be Monday, November 20 by 5:00 pm. If you wish to be an election observer, a schedule of observable activities is posted on our website:

We thank you all for your understanding as we process all eligible ballots for this election.
